Parliamentary Secretary, Food and Civil Supplies ET Tage Takung speaking about government's flagship programs under Gram Swaraj Abhiyan said, "The success of any flagship program depends on the participation of the common masses guided by their respective elected PRI members, the village leaders and the officers. This special intervention and a high representation of the program seeks to deliver welfare services to select villages in the state to create particular attention. Let us all collectively attempt to educate all our people of these welfare schemes and contribute our bit in promoting social harmony and uplift the poor.

He also highlighted upon the PMUY that he is the most important Yojana ever in the history of India. The PMUY was introduced by Shri Narendra Modi in 2016 by the Government of India and in the eight years since its launch the scheme has been a great success.

Pradhan Mantri Ujjwala Yojana is an ambidextrous social welfare scheme to provide LPG connections to people which aims to provide LPG connections to less privileged households in the country. The scheme is aimed at replacing the traditional, carbon-ridden cooking fuels mostly used in the rural India with the clean and efficient LPG (Liquefied Petroleum Gas).

He urged the beneficiaries and other members present in the programme to share the information so that more and more people can be covered under the scheme and can lead an improved quality of life. India Oil Corporation Marketing Officer Binut Deputy Appreciated the Gram Swaraj Abhiyan on the day.

It is not only harmful to your health but is also destructive to environment, he said. After listening to some success stories of three women he apprised them to share their services with other women in their localities so that they become aware and interested to avail the scheme, he also apprised them that for the beneficiaries they can contact the local Gas Agency and the district authorities, he informed.

Under the Gram Swaraj Abhiyan, through Ujjwala Diwas a target has been set to achieve 100 percent coverage of PMU in six villages that is Yealang, Pradhan Mantri Jeevan Jyoti Bima Yojana, Pradhan Mantri Shramodaya Yojana, Mission Indradhanush.
