Teachers Day - Salute to a Great Teacher Dr. Sarvepalli Radhakrishnan

Dr. Jayadeep Sahoo, Faculty, School of Humanities, Dean, Faculty of Education, R.G.U.荚

“Guru Brahma, Guru Vishnu, Guru Deva Maheswara; Guru sakshat Param Brahma, Tasmai Sri Gurave Namah.”

Teacher guides us towards the success in every aspect of life. It is important for both to respect the relationship. Enrichment of the mind, the freedom from prejudice and fanaticism, and courage are essential ingredients we need today is the education of the whole man - physical, vital, mental, intellectual and spiritual. ... If education is to equip him for the moral challenge of the age and play his part in the life of the community, it should be liberating and life-giving. It must give a basic meaning to solidarity and existence and equip us with the power to overcome spiritual inertia and foster spiritual growth. ... Seet of learning should produce pro- men and women who will move together to develop common ideals and purposes, love each other and co-exist to create a co-operative common wealth. Radhakrishnan had also strongly recommended the teaching of spiritual and ethical aspects of the religions as it is evident in the report of the University education commis- sion of which he was a member. The report maintained that, "Unless morality is taught in a larger sense, not enough. If we exclude the spiritual training in our institutions, we would be unable to deal with the historical development. To be secular is not to be religious. It is to be spiritually and not merely religious," To "allow students to develop all-round person, to take the path of ethical teaching while addressing them." The idea of celebrating Teaching Day
