**Khandu Hails the Passing of ‘Triple Talaq’ Bill in the Parliament**

**KHANDU, August 6:** Governor, Education Minister discuss on Sainik School

**TANAGAR, August 7:** The Governor of Arunachal Pradesh, Shri Khandu Kumar Stung said that the passing of the ‘Triple Talaq’ Bill by the Parliament would be an important step in the struggle and opposition by millions of Muslim women of the country. But it would be scripted in the history of India.

"For you, our sisters of the Muslim community were subjected to the most barbaric and inhuman laws that allowed a Muslim man to legally divorce his wife by stating the word ‘Talaq’ three times in oral, written, or more. It was later extended to four times. It needed a reformist like Modi to correct the injustice through this archaic clause,” Stung added, while urging all women to continue their exposure of this section of the society. But it would be scripted in the history of India.

**DCM inaugurates Wakro women welfare society office**

**NAMSAL, August 5:** DCM inaugurates Wakro women welfare society office

DCM inaugurates Wakro women welfare society office by bringing in a policy where schemes will be processed through a proper route by the district welfare society office.

Regarding the demand for up-gradation of Wakro to ADC headquarters, the project has to be developed first to facilitate the work.

He also appreciated that home stay Wakro and other places should also be started.

Wakro is one of the two administrative circles of the Chowkawal Assembly Constituency which Mein now represents.

Earlier Deputy Commissioner, Ete Deori, DC Dr Tapasya Raghav, Deputy Director General of Police were also present in the meeting.

**Govt asks nercormp to ensure shgs sustainability**

**CHANGLANG, July 30:** Deputy Commissioner, Changlang organized the various schemes being implemented under NERCOMP-II Project in his conference hall today, to review the progress of the works under central and state funding programmes.

The hearings of various departments presented reports on the progress of the works under central and state funding programmes.

The Governor said that the departmental coordination and cooperation for the success of the schemes is necessary.

The District Project Director, NERCOMP-II organized capacity building programmes among the villagers and resource persons from outside state, to ensure that every eligible beneficiary takes advantage of the project.

The Partner NGOs also presented their grievances like low service charges, non-issuance of electronic equipment etc before the house.

The meeting was attended by HOCD and Partner NGOs of NERCOMP-II.
The National Youth Day was first observed in 2000. One of the themes for the first session of the UN's World Youth Forum was the importance of education and employment. The idea for International Youth Day was proposed in 1997, and the day was first observed in 1999. The UN's International Youth Day is a United Nations Day, observed to promote the benefits that can be realized through the involvement of youth and youth-related organizations in international activities. The celebrations include concerts promoting the world's youth, as well as discussions on issues such as education and employment. Other activities include conventions promoting the world's youth, as well as various sporting events, parades and mobile exhibitions that showcase young people's achievements.

The UN's International Youth Day is observed as a public holiday in many countries. The day is also used to promote the involvement of youth in international activities, especially for fundraising and promotional purposes, to support the United Nations Youth Fund in partnership with youth organizations.

In 1998, a resolution proclaiming August 12 as International Youth Day was adopted by the General Assembly. The resolution states that the day should be observed worldwide, and that special emphasis should be placed on youth education and employment.

DC, DFO and DFWO Take Science Classes at HSS Kamba

Tara urges BDOs to initiate innovative schemes

NABARD Sponsored Mobile ATM Van for Aalo Cooperative Apex Bank Inaugurated

AALO, July 31: A mobile ATM Van, sponsored by NABARD Regional Office was inaugurated at the bank premises amid joy and fanfare today. This ATM Van under the "Udyog" scheme is for generating awareness on handling of ATMs system among the innocent masses where Artful Net connectivity exists besides providing mobile cash transactions in different locations like market places, office establishments and cities and suburbs of the district in the peak of the month. This is the second of its kind after starting one in the capital the facility has been extended to Aalo as the Aalo branch was ranked as the Best Performing Branch in the state.

The existing Branch Manager of the Aarunachal Cooperative Apex Bank, Aalo, Kirmae disclosed that the bank's customers' problem will be reduced to a great extent through Mobile ATM Van. He informed that the ATM services of Arunachal Bank as also to be started soon to address the needs of the people.

AALO, July 31: In what could be hailed as a motivational and inspiring approach, the West Siang Deputy Commissioner Silekia Saphan, Divisional Forest Officer Abhihav Kumar and DFWO Dr. Tomer Khami, started taking Science, Maths and Biology classes at Govt. Kamba. The enthusiastic science students turned up whole heartedly for the classes taken by the DC and DFO of the district. The DC and DFO with other available Resource Persons with Science background have been giving classes for the science students for the last few months on every free Saturday at Higher Secondary School of Aalo and Kamba. The noble effort is a step towards encouraging the students to inculcate scientific temperament with their presence in classroom and 60 up the vacuum of Science teaching in schools. The District Planning Officer and the Departmental trainer DIET Kamba, Gimmer Karga gave all logistic support.

Khandu Hails the Passing of 'Triple TalAQ' ...

"Even the Supreme Court during the hearing had described the practice as 'worst form of marriage dissolution', Khandu pointed. While expressing gratitude to the Prime Minister and the Parliamentarians, the Chief Minister congratulated women of the Muslim community and hailed their resolutely against the medieval practice and keeping their faith on the Constitution.

"It is sad to know that the late triple Talaq is passed away. He was a great man and a great artist, who was known for his unique style of art and music. His contributions to the world of music have been invaluable, and he will be deeply missed. I extend my heartfelt condolences to his family and loved ones," Khandu said in his statement.

"Talaq is a traditional practice in which a man can dissolve a marriage with a single statement, but the practice has been challenged by the Indian courts. The Supreme Court had recently upheld the practice, but Khandu said that the practice should be abolished.

"I urge the government to take steps to ensure that the practice of triple Talaq is abolished and that women are protected from such practices," Khandu added.

"The passing of triple Talaq is a great loss for the world of music. He was a true artist and his contributions to the world of music will be remembered for generations to come," Khandu concluded.
GOVERNMENT OF ARUNACHAL PRADESH

As the habitual drinker walls to wards the death trap, the wine shop with fast strides in the early morning, the wine shop boy smirks, seeing the regular customer because he will be seeing good money the whole day thanks to ever growing number of drinkers. As they take off, hundreds of drinkers including under aged boys and girls and hold their breath, women, thronging the wine shop, waiting for space. Seeing the heavy rush in the wine shop the whole day, the pharmacists in the hospital door qualify smiles and goes about his routine chores without being disturbed. His pharmacy may not be too crowded with customers now but he is least bothered because he knows very well that the same customers who are present for today will return for their repeat business in the wine shop near his pharmacy will go to him after a few years or sooner than that. In fact, the pharmacists is happy to see more customers [fixed drinker] in the wine shop because in a few years' time he will fall by serving medicines to these same customers who frequented the wine shop. All these while, the habitual drinkers give a sarcastic smile to the Pharmacists for selling the alcohol in the Pharmacy with only a few customers visiting him, oblivious of the fact and the bitter truth, that they will visit him sooner or later to take his [pharma cist] help. It is appalling to observe that we the Arunchalees take pride in drinking something drinking is a part of our culture. But who told us to drink? (bottle drinking) obviously lowers dear friends of mine and a number of promising young people. In an ex cessive intakes of alcohol. Many promi nent public leaders and former Minis ters and leaders have formulated the world permanently because of their understanding to doom to arrest this vice and menace the Arunchalees must realize that the Indian Manufacturing of Foreign Liquor (IMFL), does not suit the type of cli mate we are in. This IMFL, is basically for the European countries and other excessively cold countries. Our peo ple were used to drinking ‘O’, ‘Apong’, ‘Nyong’, ‘Pikha’, ‘Moner’, ‘Khawa’ which are rich in carbohydrates and do not do much harm to our bod ies. We must accept the fact that the death rate due to excessive drinking has phenomenally begun after opening wholesale sale and retailer out lets of IMFL, in the state. There is nothing wrong in hav ing a peg or two in right measure. Unfortunately, many Arunchalees get addicted to alcohol and escape from life due to damage and other alcohol-related ailments. Even a few sects of Christianity like the Baptist, Revival are doing a commendable job by preaching the following that it was a taboo for the believers indulging in drinking. This has greatly reduced the users of alcohol in some places. It’s not possible for the state government to ban selling of alcohol because Aru nchal Pradesh is a wet state and a great chunk of the much needed reve nue comes from the sale of liquor. But the drinkers must realize the dangers of drinking for their own good and safety. Most of the accidents on the roads and domestic violence can be attributed to excessive use of alcohol in our society, drunkards are despised and loosed down upon. They have no respect and social status. The most repeated advice of the parents and the elders during festivals and other social gatherings wherein alcohol is served is, ‘do not drink till you are drunk’. It is a matter of grave concern that even the womenfolk in our state send their sons to drink in our state. The condition of many of our young children are of our future. It’s a matter of great concern and ul timately frustration that our people have a plenty of time to indulge in vices like drinking and gambling but have absolutely no time to read books.

Some of us have a very wrong concept or notion on what culture is all about. We must understand that the culture is a very broad term under which a spectrum of various facets of life flourishing. Culture definitely does not mean only singing and dancing which many think. It includes the cumulative deposit of knowledge, experience, belief, values, attitudes and passion acquired by a group of people over generations through in dividual and group standing. Tradition is the ritual and ceremonial. However, in a tribal society, tradition gives a voice to its culture, its religion, faith, ethics, social control as well as the marriage, funerals, songs, dances and myths form the basic character of a society.

We must also realize that today, we live in a dynamic world and we cannot remain prisoners of dogmas and UPSC mindset. We must change with the time. Agreed, drinking may have been a part of our culture in the past but like all other prevailing evils in our society, this vice, (alcoholism) that is taking lives, should be done away with. If a kid eyesee to hundreds of wine shops all over our state. On the other hand, hardly a few booths can be seen in our state which is a sure recipe for a general disaster. The administration and the Department of Tax and Excise are doing precious in the state to check clandestine sale of liquor. Liquor is being sold openly without any fear of the law if all the Ghatms, tehsils, states, police, residences and so on. The Government has also enacted strict laws to check the availability of the liquor. The police are also trying their best to control the situation. But the best we can be is to let them be. What we can’t do is to rip the Pharmacists is having the last laugh and is dia loughing all the way to the police thanks to the huge profits he earns by selling costly medicines to the habitual drinkers who, as expected get seriously ill. But the bot tom line is, ‘who cares!’ This short article was written by me some years ago and was well received by the esteemed element.

As the night falls, the streets are again flooded with the blood of the society. It is a great shame for us to see such a scene in our society. We must realize that the alcohol is a curse and should be banned. It is a matter of great concern that even the womenfolk in our state send their sons to drink in our state. The condition of many of our young children are of our future. It’s a matter of great public health concern and ultimately frustration that our people have a plenty of time to indulge in vices like drinking and gambling but have absolutely no time to read books.

ORDER

(U/s 133 Cr.P.C)

WHEREAS, it has been brought to the notice of the undersigned that many car décor shops and car workshops, etc in Capital Complex are selling tinted black films and affixing them on the front rear screens and side windows of the cars.

WHEREAS, The Hon'ble Supreme Court in its order of May, 2012 has directed that, the black films of any kind have been banned and only car windows that have been within permissible limits by the manufacturers are allowed. All other vehicles with any percentage of tinted films are to be removed even if it is within the permissible limit.

WHEREAS, it is seen that LTV's are parking in the Capital Complex using tinted films on their windows in stark violation of the order of Hon'ble Supreme Court.

WHEREAS, it is also apprehended that the use of such tinted films on cars is used by anti-social elements to carry out their nefarious activities and thus endanger human lives and health, etc.

WHEREAS, I am satisfied that imposition of ban on sale and use of such tinted black films by all the car décor shops/ car workshops would help in controlling such anti-social activities.

THEREFORE, in view of all above, I, Himanshu Gupta, IAS, District Magistrate, Capital Complex, in exercise of powers conferred upon me under section 133 Cr. P.C. hereby prohibit the sale and affixing of tinted /black films on cars and immediately effect all the owners of car décor shop workshops are directed not to rest to, sell and affix such tinted film on cars 4-wheelers.

If anybody is found to be violating this order, action shall be taken against them as per relevant provisions of law including seizing & destruction or such banned items by the authorities without further notice.

Given under my hand and seal on this day of 17th May, 2019.
