A Journey of a Girl from Hamlet of Kunuyami to Rashtrapati Bhawan

AAO, Oct 3: It was altogether an arduous journey for a little known girl, Gami Bogo hailing from a hamlet of Kunuyami village under Khamsum Circle of West Siang district in her schoolling days that she started hard to carve a niche for herself in academic, National Service Scheme and in various competitions on various important forums ultimately helped her in bagging the prestigious NES Award for 2017-18 from the President of India in a glittering ceremony at Rashtrapati Bhawan on 24th September.

The Bogo Ao Welfare Society, in a moveing to welcome the venue to Miss Bogo on her arrival at Minta Hamlet of a girl from Kunuyami to Rashtrapati Bhawan on 24th September. She was shown from the hotel in a flower laden vehicle up her home village at Kunuyami where a felicitation programme was held. Dr. Sengdum Bogo, father of Miss Bogo, Lone Officer of Bogo society, Dr. Sairom Bogo and head of clan members and guests appreciated her achievement embarrassed her to look out for bigger career in life. Elated Gami with tears in her eyes expressed her gratitude to the family and friends that helped her to achieve the dreams she cherished the achievement as a sleeping stone for a better future in her future and her hard work and efforts to the Bogo Ao Society in particular and Galo Welfare Society in general to encourage her in such a way. The West Siang Unit of GWS also sent her the congratulatory message on her arrival.

Swachhata Hi Seva celebrated in the form of Gandhi Jayanti

Governor participates in Gandhi Jayanti celebration

The Governor, First Lady of the State discards one-time-use plastic bottles and bags, distribute cloth bags amongst the staff of Raj Bhavan

CM Speaks... “Education is the backbone of any civilization. Arunachal will survive only if it is an exposed to diligent learning coupled with moral behaviour.” - Pema Khandu

Governer, First Lady of the State discards one-time-use plastic bottles and bags, distribute cloth bags amongst the staff of Raj Bhavan

Earlier the CM released a “Pic- ture Gandhi”, a best selling book on Mahatma Gandhi published by TULKA-NLHML published in five Vimala languages of Arunachal name- Adi, Apni, Mishmi, Niyamgiri and also Bodo language of Assam. The Governor received the English by award winning author, Sandhyas Raj. The CM felicitated the 6 translators from 6 tribes of Arunachal and Assam. With the effort to sensitize young minds about sustainability and environmental care, Chief Minister launched the solar-mission and adminis- trated pledge to students from various schools to play the role of Student State Ambassador. Chief Minister also adminis- trated pledge on swachhata hi seva.

Earlier during the day, to mark the 150th Birth Anniversary of Mahatma Gandhi, the then Arunachal Pradesh Administrative Service (APS) Officers and Officials from the District Administration and the IAC actively participated in the swachhata hi seva campaign to get rid of plastic wastes.

The Governor appreciates that changes come fused in the minds and hearts of people. He urged that such feelings must be in- kulused in the minds and hearts of people for better future of Arunachal. Chief Minister further said to bring together all tribal communities, government exercises such as budget preparation involvement consultation with all communities. This is to give out the message that Team Arunachal is a government represented by every sec- tion of people.

However, there are certain bad elements that we must fight who are trying to derail the unity and peace in the state, said Chief Minister. To fight such elemen- tals, along with police modernization, people must also start to take owner- ship and act as citizen police to build society free of crime, he said.

OM further said any breakthrough in any section of Arunachal is a great investment, which is vital for economic de- velopment of the state. To maintain our identity and in order in the people, need to be made equal participant, he asserted. Chief Minister said the HAA abhiyan should be continued up to 2024 without use of single pastry from government exchan- ge. He said funding for the campaign will be assured. The campaign will be assured from corporate sector. Chief Minister suggested that HAA-cans give a simple guide to people in sus such as language preservation and professional, drug awareness, prevention of use of narcotics.

Indian Air force day

8th October 1932 was the establishment day for Indian Air Force and hence they celebrate their anniversary every year on the same. This day also is marked with an investiture ceremony for the airmen held by Air Force Station Hindan, Ghaziabad.

The ceremony is marked in order to spread awareness about the activities that the Indian Air Force executes and deals with. The Air force day celebration follows traditional parades and colorful air capes. There are different kinds of formations made by the fighter jet pilots with their respective aircrafts in the air which are a delight to watch. Oath taking ceremony is also conducted during the ceremony, which is administered by the commander in chief.

The parades are conducted at all the respective bases of Indian Air Force (56 in total). The day marks special tribute to the brave hearts of Indian Air Force who lost their life during various operations executed by Indian Air Force. They have also upgraded in the types of aircrafts they have been utilizing. A proper display of all the different and vintage aircrafts (from the old and latest aircrafts and recentducted helicopters are also displayed to show the power capacity of Indian Air Force.

Operations executed by Indian Air Force Day Indian Air Force would be celebrating its 86th establishment this year. In these eighty six years, Indian Air Force has executed several significant and successful operations such as Operation Ratna (most recent operation held by Indian Air Force to rescue livelihoods at Jaffna in Sri Lanka), Operation Vijay (which was launched to claim Goa).

Indian Air Force. The ceremony is also conducted during the ceremony, which is marked in order to spread awareness about the activities that the Indian Air Force executes and deals with. The Air force day celebration follows traditional parades and colorful air capes. There are different kinds of formations made by the fighter jet pilots with their respective aircrafts in the air which are a delight to watch. About Indian Air Force

Indian Air Force has a primary responsibility to protect Indian airspace and also carry out aerial warfare for the duration of a clash. Indian Air Force is the fourth largest air force in the world, and Indian Air Force was initially referred to as Royal Indian Air Force from the year 1945 to 1950. But when India became Republic the prefix was dropped and then ‘Indian Air Force’ was adopted. The motto of Indian Air Force is ‘Nabha Spanam Deepham’, which was taken from the Bhagavad Gita’s eleventh chapter. The English translation of the motto is ‘touch the sky with glory’.

YUPA, Sep 28: Governor B.D. Mahara inaugurated the two-day National Conference on the theme: Relevance of Mahatma Gandhi today at National Institute of Technology campus.

The Governor said that relevance of the teachings of all our ancient Saints and Philosophers, including Gandhi ji’s relevant then, is relevant now and will be relevant till human beings live on this earth. He said that all philosophies provided for integral humanism and universal harmony. Yed Vyasa’s Vedas, Mahatman Mahatman Valmiki’s Ramayana, Buddha’s teachings and in the same line Mahatma Gandhi’s philosophy are all universal and timeless. It is the quintessence of Indian culture, he said.

The Governor said that two cardinal principles of Gandhi ji were ‘Saty’ and ‘Ahimsa’. He explained that Gandhian Ahimsa is for human wellbeing and is the most sublime submission to the will of the beings. He said that Gandhi ji’s other philosophies were to make children skilled and independent. Strengthening of villages and village Panchayats, Gandhi ji’s religious ideals encompass good sense, non-violence, non-conceitedness, non-hoarding, cleanliness, forgiveness, truth and no anger. The teachings of Dr. Ambedkar and Dr. Ambedkar’s philosophy have always been relevant and will continue to remain so.

Underpinning the carry forward of culture heritage under the Gandhian Philosophy, the Governor added that he is interested in preservation and promotion of language, traditions and culture for overall harmony of the society.

Earlier, Director NTI, Arunachal Pradesh Prof. P. Manthra briefed on the initiative of Gandhi Study Centre of NTI, Arunachal Pradesh in promotion of Gandhian philosophy. The Centre was inaugurated by the Governor on 2nd October 2019. The Centre also thanked the Governor for the Bamboo Conference Hall, which has been constructed by North Eastern Council, Shifting at the initiative of the Governor.

First Lady of the State Neelam Mehta, Vice Chancellor of Rajiv Gandhi University Prof. Sajal Kuswahe, Director NERIST, Prof. H.S. Yadav, former Vice Chancellor of Central University of Haraya, Prof. (Dr.) Most Choudhury Sharma, Prof. (Dr.) Naresh Dhirch and faculty and students of NTI were present on the occasion.

Director of Agriculture
Govt. of Arunachal Pradesh
GOVERNMENT OF ARUNACHAL PRADESH NOTIFICATION

No. LM-3/11/2016/667

Dated, Itanagar the 18th March, 2019

Whereas it has been made known to the Government of Arunachal Pradesh that a total of 30.094 hectares (Surface land =47.79 Ha and River bed =12.394 Ha) is required in the Tato K.D. (W), Hoyo, Gago, Meying and Padus village, Sisters district for the purpose of the construction of (186 MW) Tato-I Hydro Electric Project by Mrs Siddy Hydro Power Private Limited (SIHPPL) and

And whereas, the Social Impact Assessment (SIA) Study and Social Impact Management Plan (SIMP) was carried out by Department of Political Science, Rajiv Gandhi University, Doimukh, assured the said project.

And whereas the report of the Deputy Commissioner, West Siang and recommendation of Expert Group constituted to assess and evaluate the Social Impact Assessment (SIA) Report have been examined.

And whereas the recommendation of the Expert Group based on the observations of the SIA report are as under:

a) The construction of (186 MW) Tato-I Hydro Electric Project falls under the definition of "Public Purpose" for the purpose "Electrification Generation" as per the list items notified in the Government of India in the Department of Economic Affairs (Infrastructure Section) number 136/2009-Inf dated 7th October, 2013. Therefore, the public purpose of the project is confirmed.

b) The State Govt. would be benefited from the power @ 13.5% revenue during 40 years of project operation and 2% (1% from requiring body and 1% from State Government) revenue to be given towards local area development.

c) The land required for acquisition of 30 Ha (Surface land =47.7 Ha and River bed=2.3 Ha) for the development of (186 MW) Tato-I Hydro Electric Project is bare minimum to serve the purpose of construction and area required for the layout approved by CEA, and with no displacement of people/households.

d) The loss of land i.e. "Community Forest land/Undeclared State Forest land shall be compensated as per NFCA/AFRA Act, 2013 & Rules 2015, and will result in payments of financial benefits to land owners.

e) The Loss of forest rights shall be compensated as per Arunachal Pradesh Rehabilitation & Resettlement Policy, 2008, and will result in payments of financial benefits to land owners.

f) The fishing rights shall continue with the local villagers

g) All other, all the project benefits outweigh the social costs and adverse social impacts.

h) The list of PAF's considered in SIA report is only an estimate done during SIA survey, without basis of land revenue records. State government/district administration should establish land revenue records list of land owners and reject the land disposed of at the earliest, this is necessary to obtain consent of 85% of land owner, failing which the land acquisition procedure will hold up and further delay in the implementation of project.

i) State government/district administration is to assess the price of land based on the category of land.

j) The Padus village is located at downstream of (240 MW) Heo-Hydro Electric Project and upstream of (186 MW) Tato-I Hydro Electric Project, if is safe and not going to be affected either by the release of water from (240 MW) Heo Hydro Electric Project nor by impounding of (186 MW) Tato-I Hydro Electric Project as the village above the High Flood Level (HFL); however, if there is any danger by the project at later stage, the construction of retaining wall may be taken up by the project proponents.

k) There is no siltation/sedimentation by the (186 MW) Tato-I Hydro Electric Project, as the same is run-off river scheme with small trench as the diversion structure.

l) The project will create employment opportunities to locals.

m) The fear of the local people on the possible illegal immigration and other anti-social elements may be addressed through strict enforcement of ILP regulations and other laws in force by the District Administration/DGP.

Governor chairs high-level security meeting

Mein highlights measures taken to boost economy

ITANAGAR, Oct 1: Addressing the BJP State Executive Meeting at Jaltokday, Deputy Chief Minister Chowna Mein highlighted the measures taken by the State Government to boost the Indian economy.

The Governor informed that India is the world’s seventh largest economy by nominal GDP and the third largest by purchasing power parity (PPP) which is expected to grow by 7.1% and 7.2% in 2019 and 2020 respectively.

He said that the Government of India is giving top priority to the economic development of the country and the Indian economy. The Union Finance Minister, Smt. Nirmala Sitharaman has made many historic announcements on 29th Sept 2019 to boost up the economy, to encourage investment and to create new opportunities.

“These announcements will ultimately lead to the fast growth in economic sectors and benefit a large number of small traders and public”, Mein said.

He informed that the current size of the Indian economy is estimated at USD 2.7 trillion and the GDP is growing at a rate of 5.0% which is expected to increase to 6.0% by 2020.

Further, he said that the Government has taken several steps to boost the economy, including:

- Announced a new budget of Rs 1.5 trillion by 2024 which will require major structural reforms over a vast range of sectors in the coming years.
- Announced to augment India’s manufacturing sector and to encourage foreign and domestic companies to invest in our country, making India a hub for new domestic and manufacturing companies, making a significant impact on the economy.
- Announced to promote investment in the capital market.
- Announced a new budget of Rs 1.5 trillion by 2024 which will require major structural reforms over a vast range of sectors in the coming years.
- Announced to promote investment in the capital market.

Mein also highlighted the benefits of implementing Goods & Services Tax (GST) in the State saying that the introduction of Goods & Services Tax in the State of Arunachal Pradesh has been a positive revenue event for the State.

There is a growth in revenue collection since the introduction of GST in the State. The GST has helped in increasing the number of registered dealers.
