Governor conveys Moh Mol and Gumkum Gumpa greetings

INITANAGAR, APR 29: "The Governor of Arunachal Pradesh Dr. Tashi Tsering has conveyed his greetings to the people of the State in its 12th Foundation Day celebrations on the occasion of Mohmol and Gumkum Gumpa. The Governor, in his message, expressed his heartmost thanks and compliments to the people of the State for the successful lockdown and to all the government and non-government organisations who are making all efforts in fighting the COVID-19 Pandemic. He appealed to the people of the State to always remember the leadership of the right spirit till it is mandated by the Government.

In his message, the Governor said that 35 days have now elapsed since the nationwide lockdown was announced by our Hon’ble Prime Minister Shri Narendra Modi Ji on 22nd March, 2020. I am sharing with you with a great sense of satisfaction that our great nation ‘Bharat’ and all its citizens are wearing this most difficult battle in recent human history under the charismatic leadership of Shri Narendra Modi Ji. In addition, we are also providing support to all the countries all over the world on an ‘international’ level, he said.

The Governor shared his happiness with the people of the State in the grace of Almighty and cooperation of the people of the State. Arunachal Pradesh so far is completely free from the Corona disease, which has caused thousands of human deaths in the highly advanced nations of the world. My government under the leadership of dynamic Chief Minister Shri Pema Khandu Ji has taken all measures to keep the state free from this virus. The Department of Medical Sciences & Hospital has been designated as the COVID-19 Hospital. Necessary preparations by way of purchase of ventilators, PPE, quarantine facilities etc. have been made to meet any contingency. Joint teams of the Magistrates, Doctors and Police have been put on check-gates to screen all entrants. My government has sufficient stocks of essential ration and essential supplies. Food and ration are being given to all needy people including labourers of other provinces stranded in our state.

In his message, the Governor said that once time immemorial, Tangnas have celebrated with great fervour and enthusiasm Moh-Mol, which is an agriculture related festival signifying the harvesting and new sowing season of crops. They have continued this age-old tradition, generation after generation. He further said that the Puroik community celebrates this day as Gumkum Gumpa. They observe this occasion for mutual and collective resolution of our community. I hope this festival will bring progress and prosperity for our Puroik people across the state. For the people, this festival will promote harmony and create strong bonds in their society, the Governor wished.

This year, during these festivities, we are putting in all our might and efforts to defeat the COVID 19. I call upon our Tangnas and Puroiks of Arunachal to celebrate this vibrant event, respect the home and maintain individual social distancing. Let us all unite in taking precautions and be prepared against coronavirus infection, in letter and spirit, and remain safe, the Governor appealed.

Anger Management

Sandeep Kumar

Anger is one of the commonest and most destructive feelings. It is a natural part of life, but it can lead to problems if not managed properly. Here are some tips to help you control your anger.

1. Breathe slowly and deeply. This can help calm your mind and body.
2. Take a break. If you feel your anger rising, take a step back and refocus.
3. Identify the trigger. What is causing your anger? Once you know the trigger, you can work on finding a solution.
4. Practice mindfulness. Pay attention to your thoughts and feelings without judgment.
5. Use positive self-talk. Tell yourself that you can handle your anger.
6. Seek support. Talk to a friend, family member, or therapist about your anger.

Remember, anger is a normal emotion. It is important to acknowledge and understand your anger, but it is also important to learn how to manage it in a healthy way.
